

## Index to Vol. IV\*

Maximal use of this Index will be afforded by tracing a topic under: (1) title index, (2) subject index, (3) "citations of cases" in the subject index.

This index covers authors, original articles, abstracts, and book reviews as well as titles and subjects. It does not cover the bibliographies of original articles.

(O). indicates an original article, thus: "Psychological Interrelation Between Alcoholism and Genital Sexuality." Edmund Bergler. (O). 1-13.

(A). indicates an abstract, thus: "Exhibitionism." N. K. Rickels. (A). 163.

(BR). indicates a book review, thus: "Sex Variants, A Study of Homosexual Patterns." George H. Henry. (BR). 197.

Cases referred to in the original articles and abstracts are given under *Citations of Cases* only, thus: "Citations of Cases. Murder, one. 2"
